

TRAUMA TASMANIA

The Next Big Thing

1 JUNE 2019

MEDICAL SCIENCE PRECINCT
UNIVERSITY OF TASMANIA HOBART

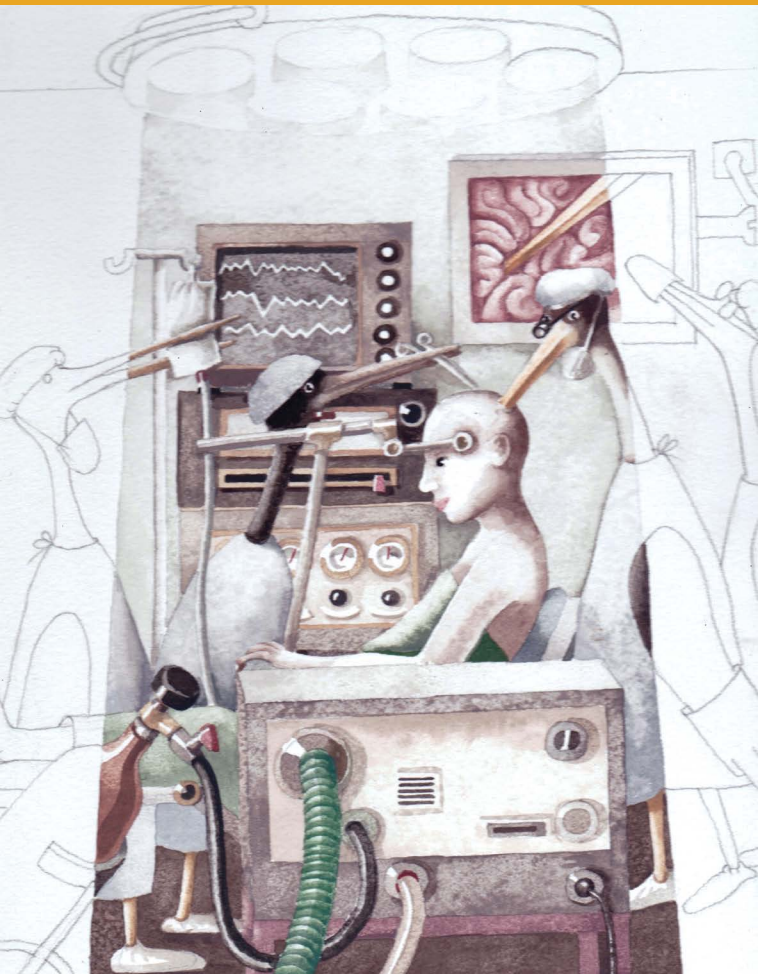

What's in store in 2019...

- Experts from Australia and globally will reflect on their experience, examine the evidence and describe what makes a difference when clinicians and health care systems are confronted with multiple casualties.
- Gain knowledge on how to prepare for multi-casualty events.
- Lessons learned from previous incidents.

**REGISTER
NOW**

Registration Type	Price

Why you should register for Trauma Tasmania...

- To be better prepared for multi-casualty incidents.
- To learn from case studies.
- To mingle with experts from the industry, peers and colleagues.
- Support Statewide Trauma Service to build an effective and sustainable service, modelled on best practice from Australia and internationally.

Sponsorship Opportunities...

Explore opportunities to build your brand by supporting a not-for-profit initiative. For more information on the various packages, please contact the sponsorship manager, Kim Murray at kim@laevents.com.au
